The copyright protected material may be reproduced free of charge in any format or medium for research, private study or for internal circulation within an organisation. This is subject to the material being produced accurately and not used in a misleading context. Where any of the copyright items on this site are being republished or copied to others, the source of the material must be identified and the copyright status acknowledged.

The permission to reproduce protected material does not extend to any material on this site that is identified as being the copyright of a third party. Authorisation to reproduce such material must be obtained from the copyright owners.

Liverpool Women's NHS Foundation Trust encourages users to establish hyperlinks to this site.

Links Policy

All links from this website are selected using our links policy. Links are provided for information and convenience only. We cannot accept responsibility for the sites linked to, or the information found there. A link does not imply endorsement of a site. Likewise not linking to a particular site does not imply lack of endorsement.

You do not have to ask permission to link directly to pages hosted on this site. However we do not permit our pages to be loaded into frames on your site. The pages must load into the user's entire window. You must not use the NHS logo to link to our site without prior permission.

Accuracy

Every effort is taken to ensure that the information in this website is both accurate and complete.

Availability

We cannot guarantee uninterrupted access to this website, or the sites to which is links. We accept no responsibility for any damages arising from the loss of use of this information

Intellectual Property

The names, images and logos identifying the Liverpool Women's NHS Foundation Trust are the proprietary marks of the NHS. Copying our logos and any other third party logos accessed via this website is not permitted without the prior approval of the relevant copyright owner.

Virus Protection

We make every effort to check and test material at all stages of production. It is always wise for you to run your own anti-virus programs on any material downloaded from the internet, including our site. We cannot accept any responsibility for any loss, disruption or damage to your data or your computer system that may occur while using material derived from this website.

Privacy Statement

The Liverpool Women's NHS Foundation Trust site does not capture or store personal information, but merely logs the user's IP address.

We do not use cookies for the collection of user information and we will not collect any information about you except that required for system administration.

Information voluntarily entered through our website, shall only be used for the purpose intended (or internal review) and will be treated as confidential. No volunteered information will be passed onto 3rd parties.
